

COMMENCEMENT

Fall 2023

LETTER FROM THE PRESIDENT

Congratulations on your graduation from the University of Iowa!

The proudest day for a university like ours is commencement day—when our students, their friends and family, and their teachers and mentors celebrate the completion of a University of Iowa degree. And today is that day—the culmination of years of hard work, commitment to your studies, and growth through many new experiences. I know you and your loved ones are feeling the excitement of new paths ahead of you, and as leader of this wonderful university, I share that anticipation of new beginnings with you. Meeting with students is one of the highlights of my job as president. Today—commencement day—is a pinnacle for all of us, as we celebrate your accomplishments.

Our highest goal is to prepare students for lives of success and service, and today you are fulfilling the university's mission as well as celebrating a major milestone in your journey. One of the greatest badges of pride you will wear from this day forward is your degree from the University of Iowa. When you say you are an Iowa graduate, that carries a very special meaning. And when we say you are an alum of the University of Iowa, that is a badge of pride we wear very proudly ourselves.

You've been a member of the Hawkeye family for a long time now, and we don't want that to change. We encourage you to stay connected to the university through ForIowa.org, where you will find locations of IOWA Clubs that provide good company for game watches and service activities, alumni resources, and networking opportunities. The website also provides information on how to join alumni affinity groups of other Hawkeyes around the country and how to subscribe to the *IOWA Magazine* and newsletter. We will come visit you as well! Keep an eye out for UI visits to your community when we will share updates about the exciting advances and innovations happening at the university and give you a chance to gather with other Hawkeyes and celebrate your Iowa pride.

As you go forward into new adventures and pursuits, we wish you the very best. You will always be part of the Hawkeye family and legacy, and we hope you will come back to visit us on campus.

Again, congratulations on all your achievements, and remember, Once a Hawkeye,
Always a Hawkeye!

With warmest regards

A handwritten signature in black ink, which appears to read "Barbara J. Wilson". The signature is fluid and cursive, with a long horizontal flourish extending to the right.

Barbara J. Wilson
President

COMMENCEMENT CEREMONIES

Thursday,
December 14, 2023

College of Education
Hancher Auditorium, 4:00 p.m.

Friday,

College of Engineering
Hancher Auditorium, 12:00 p.m.

Please visit the University of Iowa's commencement website for information including live streaming, videos, Hawkeye Alumni engagement opportunities, and more at commencement.uiowa.edu.

THE UNIVERSITY OF IOWA

The University of Iowa is one of the nation's premier public research universities, with **31,452 students** from **every Iowa county**, **all 50 states**, the **District of Columbia**, **three U.S. territories**, and **105 countries**. Founded in 1847, it is Iowa's oldest institution of higher education and is located alongside the picturesque Iowa River in Iowa City.

A member of the Association of American Universities since 1909 and the Big Ten Conference since 1899, Iowa is home to one of the largest and most acclaimed medical centers in the country, as well as the famous Iowa Writers' Workshop.

In pursuing its missions of teaching, research, and service, the university seeks to advance scholarly and creative endeavor through leading-edge research and artistic production; to use this research and creativity to enhance undergraduate, graduate, and professional education, health care, and other services provided to the people of Iowa, the nation, and the world; and to educate students for success and personal fulfillment in a diverse world.

The University of Iowa carries out its academic mission primarily through its 12 colleges, which offer undergraduate and graduate education, professional education, and education and training in the health sciences.

A Proud Tradition of Progress

Hawkeyes have always challenged barriers that prevent driven students from pursuing an education. This heritage of continuous progress shapes our community today as we endeavor to create a welcoming home for every perspective.

First university in the state of Iowa

First public university to admit men and women on an equal basis

First to officially recognize an LGBTQ+ student organization

First to broadcast educational television

First to offer the Master of Fine Arts degree

First college of law west of the Mississippi

First college of education in the country

GRADUATION HONORS

High academic achievement is recognized at graduation in several ways: graduation with distinction (based on grades only), graduation with departmental honors (based on both grades and the completion of special work as outlined by the college and the major department), and University Honors (based on grades and on the completion of coursework and experiential learning activities).

Graduation with Distinction: The Office of the Registrar certifies to the deans of the colleges the names of students eligible to graduate with distinction. To be eligible for consideration, the graduate must complete the final 60 semester hours in residence as an undergraduate at the University of Iowa and at least 45 semester hours must have been completed prior to the final semester of registration. The grade-point average (GPA) upon which distinction is determined includes all work undertaken prior to the beginning of the final semester or session.

Graduates with distinction in the Colleges of Liberal Arts and Sciences, Engineering, and Business rank as follows:

With Highest Distinction	Highest 2%
With High Distinction	Next Highest 3%
With Distinction	Next Highest 5%

Graduates with distinction in University College must complete a total of 45 semester hours in residence; 30 must be completed prior to final registration. Recognition is determined as follows:

With Highest Distinction	3.90–4.00 GPA
With High Distinction	3.80–3.89 GPA
With Distinction	3.75–3.79 GPA

In the undergraduate programs in the College of Medicine:

With Highest Distinction	3.85 GPA or above
With High Distinction	3.75–3.84 GPA
With Distinction	3.65–3.74 GPA

In the Colleges of Public Health, Nursing, and Education:

With Highest Distinction	3.90 GPA or above
With High Distinction	3.80–3.89 GPA
With Distinction	3.75–3.79 GPA

In the College of Pharmacy:

With Highest Distinction	4.0 GPA or above
With High Distinction	3.75–3.99 GPA
With Distinction	3.50–3.74 GPA

Distinction is designated by gold stars worn on the left sleeve. Three stars indicate graduation *with highest distinction*; two, *with high distinction*; and one, *with distinction*.

Graduation with Departmental Honors: Departmental honors, or “honors in the major”, recognizes excellence in a student’s major area(s) of study. Departmental honors requires additional work by the student, commonly a scholarly project or creative piece completed under the mentorship of a single faculty member, that goes beyond the regular requirements for the major. Students who are graduating with departmental honors wear cordons draped over the shoulders.

Graduation with University Honors: University honors requires the completion of a flexible curriculum of honors coursework that allows students to engage in deeper thinking about class material under guidance of instructors in smaller-group settings. University Honors also requires students to complete experience-based learning opportunities, such as research, study abroad, or internships, that promote “learning by doing” and that develop a range of academic, career, and life skills. Students receiving University Honors are recognized by a medal on a black-and-gold lanyard worn around the neck.

ACADEMIC COSTUME

The academic costume code recognizes three styles of gowns: bachelor's, master's, and doctoral. Hoods also denote degrees and may vary; the more elaborate adornments designate higher levels of degree attainment. The shell of the hood matches the black material of the gown, and the lining color represents the institution granting the degree. University of Iowa hoods are lined in old gold. The color of the velvet hood border indicates the field of study to which the degree pertains. The velvet trim on hoods corresponds to colors established in the intercollegiate code.

The Oxford cap is proper for all degrees and can be worn both indoors and out with academic costume. The tassel, worn over the left eye, symbolizes the degree to be conferred on the wearer.

Institutional practice may vary from the established code. University of Iowa candidates for degree display tassels corresponding to the college from which their degree will be granted.

Business: sapphire blue
Dentistry: lilac
Education: black and gold

Engineering: orange
Graduate: black
Law: purple

Liberal Arts and Sciences: white
Medicine: black and gold
Nursing: apricot

Pharmacy: olive green
Public Health: black and gold
University College: white

UNIVERSITY ARTIFACT

The podium placed at center stage at Carver-Hawkeye Arena was a gift to the University from the class of 1903. Made from solid mahogany, the podium boasts an etched silver placard inscribed with individual graduate names. This historic university artifact was restored by the Office of the Registrar in 2016. Graduate names etched on the podium plaque are available upon request.

PRESIDENTIAL EMBLEM

The jeweled gold medallion worn by the University of Iowa president during commencement ceremonies and other formal academic events on campus was designed as an emblem of the university's presidency by Karen Cantine when she was a graduate student in the UI School of Art and Art History.

Featuring an abstract UI motif in the university's colors—old gold and black—the emblem was first used in the investiture of Howard R. Bowen as the university's 14th president during inauguration ceremonies on Dec. 5, 1964.

Four-and-one-half inches in diameter, the medallion is worn on a gold chain also designed and made by Cantine. Fashioning the emblem from a sheet of 14-carat yellow gold, Cantine outlined in black enamel eight UI motifs in raised gold letters in areas radiating from a large topaz in the center.

The central jewel is nearly an inch in diameter. A slightly smaller topaz is set in the link that attaches the emblem to the chain on which it is worn, and eight small topazes are set around the edge of the emblem, one at the end of each "spoke."

Designing and making the presidential emblem was part of Cantine's work for a Master of Arts degree in metalwork and jewelry design.

CANDIDATES FOR DEGREE

Fall 2023

GRADUATE COLLEGE

Founded in 1900, the University of Iowa Graduate College manages the enrollment and degree progress of nearly 5,000 students from over 100 graduate programs in 10 different colleges spanning the arts and humanities, biological sciences, health sciences, engineering, education, physical sciences, social sciences, and business.

The mission of the Graduate College is to foster an intellectual environment conducive to exemplary research, scholarship, and creativity among graduate students, postdoctoral scholars, and faculty. We make every effort to ensure that the graduate programs offered by the university are of a high quality and stimulate the creation of new knowledge and information, and that these efforts simultaneously benefit both graduate and undergraduate student learning. The Graduate College serves as an advocate for graduate education, allocates resources that support students and faculty, manages policies and procedures to establish and assess graduate programs, and fosters interdisciplinary learning across campus.

HENRY B. TIPPIE COLLEGE OF BUSINESS UNDERGRADUATE PROGRAMS

The Tippie College of Business prepares today's business professionals to thrive in a changing world. By continually evolving our programming and curriculum, we give graduates the skills they need to jump-start their careers.

Since 1847, the Tippie College of Business has cultivated a legacy of excellence in business education. Our over 54,000 alumni represent the best and brightest in business—and have made an impact across Iowa and around the world. Tippie is a top-25 public business school where more than 6,000 students learn from expert faculty and gain a competitive edge in programs spanning BBA to PhD. We have six academic departments: accounting, economics, finance, marketing, management and entrepreneurship, and business analytics. Additionally, the college has eight centers and institutes, and four student-managed endowment funds. The Tippie College of Business holds the gold standard of accreditations—the Association to Advance Collegiate Schools of Business (AACSB)—and has maintained the accreditation since 1923. Our leadership is forward-thinking and pioneering, and our advisory boards serve as eyes and ears to the industry.

COLLEGE OF EDUCATION

The College of Education, created in 1847, advances education and mental health in Iowa and beyond by preparing teachers, mental health professionals, leaders, and researchers; providing services and resources; and engaging in research and scholarship. The college offers more than 80 different academic opportunities for undergraduate and graduate students.

As the top-ranked college of education in the state, our vision is to create the best educational and mental health outcomes for all. Through our world-class programs, we produce leaders, with our alumni going on to excel in teaching, counseling, educational administration, student development, psychology, higher education, measurement, adaptive assessment, and more. The college provides students and faculty with cutting-edge, collaborative classrooms to prepare the best educational professionals possible. In fact, 100% of our undergraduate and graduate students are employed or enrolled in additional education within six months of graduation. The college is home to the Scanlan Center for School Mental Health and six other major research centers: Belin-Blank Center; Center for Advanced Studies in Measurement and Statistics; Center for Evaluation and Assessment; Center for Research on Undergraduate Education; Iowa Reading Research Center; and Iowa Testing Programs. The college is also home to the UI REACH and UI WILD programs.

COLLEGE OF ENGINEERING

Established in 1927, the College of Engineering at the University of Iowa has a long and distinctive history of producing breakthrough knowledge, training the next generation of engineers, and translating our work for broad impact across the college's six academic departments and nine research centers.

With more than 17,000 Iowa Engineering alumni living throughout the world, including 5,200 in the state of Iowa, the college delivers breakthroughs in engineering for human health, innovations in engineering for the environment, and new approaches to emerging technologies. The college is committed to developing interdisciplinary leaders, promoting economic development, and advancing knowledge through fundamental and applied research. Our faculty members are internationally recognized leaders in environmental sustainability, data security, material sciences, hydrology, and aeronautic technology, as well as in many other areas. Our graduates are ethical, globally aware citizens whose work while at the University of Iowa and throughout their careers makes the world safer and our use of resources more efficient. College alumni have gone on to become leaders in government, nonprofits, academia, and industry, and have built upon their experience in the close-knit community in the College of Engineering.

COLLEGE OF LAW

The University of Iowa College of Law is the oldest law school west of the Mississippi River. Since its founding in 1865, the college has awarded more than 13,000 law degrees to graduates from across the nation and around the world.

Grounded in theory and practice, Iowa Law's superior education prepares students to excel in any legal setting. From volunteering with nonprofits to building arguments for clients, students gain real-world experience that serves them throughout their careers. Our faculty are nationally recognized for their scholarly productivity and interdisciplinary interests. Their varied backgrounds and small class sizes foster a personalized approach to learning and a dynamic legal curriculum. Iowa Law has long been at the forefront of legal writing education, with a dedicated writing faculty boasting over 120 years of combined experience. Through personalized instruction, students develop the necessary skills to stand out in a competitive workforce. With 10,700+ alumni spanning all 50 states and 43 countries, Iowa Law is a launchpad for opportunity. From practicing in a law firm or government agency to working for a nonprofit or Fortune 100 company, the possibilities of an Iowa Law degree are endless.

COLLEGE OF LIBERAL ARTS AND SCIENCES

The College of Liberal Arts and Sciences, established in 1900, is the largest of the University of Iowa's 12 colleges. The college has a comprehensive array of programs spanning the arts and humanities, writing and communication, natural and mathematical sciences, and social and behavioral sciences.

In the College of Liberal Arts and Sciences, we empower inquiring and motivated students to explore the entire range of human learning in preparation for meaningful lives and rewarding careers. The college teaches all undergraduates through the CLAS Core General Education program and is the home of renowned programs in writing, the arts, space physics, speech and hearing science, and more. Alumni of the College of Liberal Arts and Sciences are pioneers in everything from medicine, neuroscience, and space physics, to theatre, television, and film; they are professional athletes and accomplished artists; and they have won Pulitzer Prizes, Olympic medals, Oscars, Emmys, and more. We are immensely proud of each one of our hardworking graduates, who will carry their experience at Iowa into their professional and civic lives as original thinkers and engaged citizens of their communities and the world.

ROY J. AND LUCILLE A. CARVER COLLEGE OF MEDICINE

The Carver College of Medicine is an integral part of University of Iowa Health Care, the state's only comprehensive academic medical center, which also includes UI Hospitals & Clinics and UI Physicians, the state's largest multispecialty group practice.

With its founding on the University of Iowa campus in 1870, the medical college's first class consisted of 37 students, which included eight women—giving Iowa the distinction as the first coeducational medical school in the United States. Since that time, the college has expanded to include additional professional, graduate, and undergraduate degree programs. Nearly 1,400 faculty teach students in courses throughout the colleges within the university, including thousands of students in the undergraduate basic science classes and advanced graduate-level courses. The college also partners with the Graduate College to offer several interdisciplinary programs. The Carver College of Medicine is the only college in the state of Iowa that awards a Doctor of Medicine degree. The college is a highly ranked medical school where students learn to become accomplished clinicians and top-flight researchers and educators.

COLLEGE OF NURSING

The University of Iowa College of Nursing offers cutting-edge nursing education, including Bachelor of Science, Master of Science, Doctor of Nursing Practice, and Doctor of Philosophy programs. The college is an integral part of the health sciences campus, contributing to teaching, research, and patient-care resources that have earned international recognition.

With renowned faculty, advanced clinical experiences, and a tradition of innovative leadership, the College of Nursing is ranked among the best nursing programs nationwide. The college provides a rich environment for students to collaborate with their peers in health science disciplines and work with scholars in engineering, psychology, education, and many others. We are dedicated to giving College of Nursing students educational opportunities that allow them to tailor their interests to careers in industries, health care facilities, academic institutions, and nonprofit organizations. Graduates are sought-after as skilled professionals who have received a rigorous education of the highest quality.

COLLEGE OF PHARMACY

Since 1885, the University of Iowa College of Pharmacy—one of the most highly regarded programs in the country—has maintained an unsurpassed commitment to educate and train the highest-quality pharmacists and pharmaceutical scientists.

The Doctor of Pharmacy program has a firm grounding in science and evidence-based practice, exploration of career choices through required and elective courses, and ample leadership opportunities. The program synthesizes basic scientific principles and practice through caring and communication in an integrated professional program. Students may specialize with a professional Certificate in Palliative Care, a Leadership Certificate, a combined Doctor of Pharmacy/Master of Public Health degree, or Doctor of Pharmacy/Master of Science in informatics degree. The college offers a Doctor of Philosophy in drug discovery and experimental therapeutics, health services research, and pharmaceuticals. Researchers have a passion for fundamental and translation research in drug discovery, drug development, biomedical science, and health care delivery. Aspiring to advance health care, over 6,500 alumni thrive in careers worldwide in clinical specialization, community, public service, consulting and long-term care, industry, teaching and research in academia, managed care, or research.

Doctor of Pharmacy

Michael Thomas Hickman

COLLEGE OF PUBLIC HEALTH

Founded in 1999, the College of Public Health continues the University of Iowa's proud tradition of public health teaching, research, and service that dates to 1885. The college includes five academic departments: biostatistics; community and behavioral health; epidemiology; health management and policy; and occupational and environmental health.

The college is a comprehensive public health resource for Iowa, the Midwest region, the United States, and the world. Among the nation's top-ranked public health schools and programs, we place a special emphasis on rural public health concerns, including agricultural safety and health, cancer, community-based prevention, environmental health, and health care. Students have extensive educational opportunities spanning undergraduate and graduate programs, as well as an array of experiential learning options within the college's robust research enterprise, in practice settings, and through global travel. Graduates find careers in diverse fields, including frontline public health agencies at the local, state, and federal levels; nonprofit agencies; academia; and private sector positions in health care, pharmaceutical, environmental, and other industries. Public health's interdisciplinary educational approach also provides excellent preparation for work and further study in areas such as medicine, pharmacy, dentistry, nursing, social work, policy, law, or business.

UNIVERSITY COLLEGE

University College, created in 2005, is the academic home for a number of courses and degree programs that span the university. The college provides educational opportunities for students that are both credit and noncredit awarding through Distance and Online Education and collaborations with other academic departments from across campus.

Two undergraduate degrees, the Bachelor of Applied Studies (BAS) and the Bachelor of Liberal Studies (BLS), are offered through University College. Both degrees, which may be completed entirely online or through a combination of on-campus and online coursework, are interdisciplinary programs that draw on courses from University College and other undergraduate colleges, providing a flexible pathway to an undergraduate degree. A number of undergraduate certificate programs and minors are also offered through the college. Student success is an important mission of University College and is supported in numerous programs within the college, including Academic Support and Retention; Orientation Services; On Iowa!; Success at Iowa; First-Year Seminars; Excelling@Iowa; Supplemental Instruction; Tutor Iowa; Early Intervention; First-Gen Hawks; Office of Scholar Development; and Iowa Veteran Education, Transition, and Support (IVETS). These programs contribute to a student's personal measure of collegiate success, both academically and in providing an enriching undergraduate experience.

ACKNOWLEDGEMENTS

Indigenous Land Acknowledgement

The University of Iowa is located on the homelands of the Ojibwe/Anishinaabe (Chippewa), Báxoje (Iowa), Kiikaapoi (Kickapoo), Omāēqnomenēwak (Menominee), Myaamiaki (Miami), Nutachi (Missouri), Umo^{ho} (Omaha), Wahzhazhe (Osage), Jiwere (Otoe), Odawaa (Ottawa), Pó^{ka} (Ponca), Bodéwadmi/Neshnabé (Potawatomi), Meskwaki/Nemahahaki/Sakiwaki (Sac and Fox), Dakota/Lakota/Nakoda, Sahnish/Nuxbaaga/Nuweta (Three Affiliated Tribes) and Ho-Chunk (Winnebago) Nations. The following tribal nations, Umo^{ho} (Omaha Tribe of Nebraska and Iowa), Pó^{ka} (Ponca Tribe of Nebraska), Meskwaki (Sac and Fox of the Mississippi in Iowa), and Ho-Chunk (Winnebago Tribe of Nebraska) Nations continue to thrive in the State of Iowa and we continue to acknowledge them. As an academic institution, it is our responsibility to acknowledge the sovereignty and the traditional territories of these tribal nations, and the treaties that were used to remove these tribal nations, and the histories of dispossession that have allowed for the growth of this institution since 1847. Consistent with the University's commitment to Diversity, Equity and Inclusion, understanding the historical and current experiences of Native peoples will help inform the work we do; collectively as a university to engage in building relationships through academic scholarship, collaborative partnerships, community service, enrollment and retention efforts acknowledging our past, our present and future Native Nations.

Nondiscrimination Statement

The University of Iowa prohibits discrimination in employment, educational programs, and activities on the basis of race, creed, color, religion, national origin, age, sex, pregnancy (including childbirth and related conditions), disability, genetic information, status as a U.S. veteran, service in the U.S. military, sexual orientation, gender identity, or associational preferences. The university also affirms its commitment to providing equal opportunities and equal access to university facilities. For additional information on nondiscrimination policies, contact the Director, Office of Institutional Equity, the University of Iowa, 202 Jessup Hall, Iowa City, IA 52242-1316, 319-335-0705, oie-ui@uiowa.edu.

This program is printed on recycled paper and can be recycled after the commencement ceremony. The University of Iowa is committed to integrating sustainable practices into all university programs and activities while ensuring a memorable and positive experience at every event. Please note, all participating graduates have been provided with their own copy of the commencement program.
