AMERICAN DENTAL EDUCATION ASSOCIATION—ACADEMIC DENTAL CAREERS FELLOWSHIP PROGRAM

The ADEA Academic Dental Careers Fellowship Program (ADCFP) was funded with the goal of providing students and residents the opportunity to become involved in academia by providing structured mentoring and insight into what an academic career involves. Through the research requirements and active mentoring from faculty, the program creates a pathway for those who may be considering entering an academic career. At the completion of the one year program, participants are recognized as Fellows.
